Christchurch
New Zealand Riding for the Disabled

Horse Sponsorship at C.R.D.A.

It costs over \$3000.00 per year to care for each of our horses. Sponsorship of our equine team is an integral part in assisting us to pay for horse care and therefore continue our therapeutic riding programmes.

Sponsorships are \$50.00 minimum for an individual or 150.00 for a business. This goes towards the care of one of our horses.

As a sponsor you will receive a laminated certificate with a photo of your chosen horse.
